

# THE PRESENT TRUTH

## INTO ALL THE WORLD

July 8, 2010

Dear Brothers and Sisters in Christ,

Greetings in the name of the Lord! Things have become very exciting around the ministry these last few months as we witness the power of God reaching literally millions of people around the world. I cannot describe the exhilarating chill that sometimes goes through my body as we see the responses from the broadcast coming in night after night.

The staff is working overtime to fill orders, prepare upcoming broadcasts, and at the same time keep up with the day-to-day work of the ministry. It is a great challenge and I thank God for the way you have stepped up to help finance this big project. As you know when this big opportunity was brought before us we had no idea how we could possibly handle it, but we knew that the time had come to put our complete confidence in Jesus and move forward.

God has been able to accomplish this big task of reaching out to the world as a result of your prayers and systematic love gifts. This month we are \$26,000 short of reaching the targeted budget of \$300,000 and we need you to continue to help. We have seen the hand of God in this big project step by step and we cannot give in now. The Lord is coming. Probation is closing all around us and we at The Present Truth along with you are being called on to keep this great work moving forward. If we do not come up with the much needed funds God's project will be interrupted and this door may never open again.

I call upon you, my friend and fellow child of God, to give now. As we look around we can see the monetary system is becoming less and less reliable and soon our money will do us no good. It is time to go all out so that the Three Angels' messages can get into every home and the Lord can hasten His coming.

As I mentioned we are receiving more and more responses nightly and I have enclosed a few for your enjoyment. Remember this is Christ's success, but He shares it with you because of your willingness to join Him in completing this big project.

Please don't just send money; we need daily prayer warriors for this great battle. Set a specific time to call this work out in prayer at least twice daily. Your prayers work! Thanks in behalf of our heavenly Father for your joyful support.

Only through Christ.

Bishop Stephen D. Lewis

P.S. As you make your financial sacrifices for this project please send them right away so that we are able to meet and cancel out the previous deficit and by God's grace complete this \$300,000 goal. Let's get this work done and go home. Maranatha!

Dear Bishop Lewis,

I just finished watching your broadcast. I was so surprised to have many of the questions that I had been asking myself and God lately, become so clearly answered tonight.

The kind way you spoke, with love, touched me. Things you said, such as don't try to change yourself to be like Jesus, but let him work in you to change you. I needed to hear these things right now. Thank you so much. I have not felt so uplifted in a long time.

Hello,

I am a 23 year old single mother and tonight was the first time I saw your ministry on the Word, it has truly been a while since I've seen a minister who preaches the Truth! I thoroughly enjoyed this broadcast, my spirit was immediately in tuned. I went on YouTube and saw your page, watched the tribute and learned a lot. I was so excited to finally find a minister who preaches the Word from the Word that I went to your website, I found the bible school. So I look forward to start doing a lesson a day and having a better understanding of His Word.
